to history this underlying
epitomic goal left us with

week haven together set
volunteer insurrectic can
track if much else zaffith
post-managerial +-zines
scripture reading itselfes

the self-organizing fires
of history / eyelids
progress in eatemic
power to train the months
unto their gorge / preclusion
of the obvious
solution / cook, plumb
these accolades. imperial
cake and kindred prairie
tarmac pie & puffed pastries
/ all the best fish
are solitary, nearly three
tongues fugar and falt / two
spoons beaten on the
roof / one large square
grocery boiled & skinned
in winter / to possess the
flour dozen brandy, cloves
and citron, drizzle
one quart and stir, & stir

A poem offers an
experiential reality
encountered nowhere
other than in itself.

the craft American
fragments brew

staring at to make

eyes don't now
you have tasks
you have fish
thought now just
between fish on
fire grooming the
promenade gone
on and on the on

nexus yonder the
street themselves

dust returning home I
opened thought to let

a fort a forest reproduced
is banished silver house
magical with difference

relentless horizons differ

the house in a house is not
necessarily a house, house

the reading hard-swirl advantage
icon in three critics released
what is less swiftly were this version

in 19 possible jars are woodwinds
inhabited by eyes/ I often self-fork

common definitions are written on
the first Thursday of each Night....

sheets place tongues in trills
and tones of research / across
the crisis even tasks are rust,
some uncertainty
against reductive / data
